Research

JMP — **Borders Within: Citizenship and the Paradox of Belonging for Turkish-Origin Youth**
Uses the 2000 German nationality reform to study citizenship, discrimination, belonging, and school-track sorting among Turkish-origin youth.

WIP — **Child Marriage Laws and Historical Institutions in the United States**
With Maëlys de la Rupelle. Combines recent state minimum-age reforms with county-level historical institutions to study the timing of marriage.

WIP — **Hostile Environments and Educational Expectations among Immigrant Families**
Examines how hostile policy environments shape parental expectations and young people's educational trajectories in immigrant families.
